## To all SPAL UK Customers

February 28<sup>th</sup> 2020

In support of the official SPAL Group statement on the Coronavirus issue, I can assure customers that we are still carrying additional BREXIT stock and will be able to supply the vast majority of orders well into Q3, by which time there should be more data available to help us plan.

SPAL Italy has stated that at this time, that they are not aware of any major issues that will impact on their ability to manufacture and deliver and they will keep all their distribution centres regularly updated on their situation.

We, at SPAL UK will monitor this on a weekly basis and manage our stock holding accordingly.

Please contact me if you have any concerns.

Thank you

Yours sincerely

Matthew Morris

Managing Director
